In 2001 the Association introduced a "Middle Distance" Championship over 10, 25 and 50 mile distances using selected 10, 25, and 50 mile qualifying events.

The speed of a rider's best times at each distance is to be aggregated and averaged. The best average speed to count. (This is the same as the system used for the National BBAR). In 2009 this competition continued in popularity with 24 riders qualifying.

The Harry Middleton Trophy was donated to the Association for the winner of this new competition and the 2009 winner was Andy Wilkinson, (Port Sunlight Wheelers) with an average speed of 28.392 mph.

For the 2010 season the following nominated qualifying **10 mile events** have been selected to be added to the qualifying 25 and 50 mile events as above.

11 th April	W.C.T.T.C.A.	10	D10/19
24 th April	Leigh Premier	10	D10/1
5 th June	Liverpool Century RC	10	D10/1
12 th June	Phoenix C.C. (Aintree)	10	D10/1
